School's Address _____

City, State, Zip _____

The cosmetology school industry is facing many issues in 2019. Many states are fighting legislation to deregulate the industry. There is national dialogue on reducing the number of hours to receive a license as a cosmetologist to 1000 hours and/or create a new lower hour license for "hairstylist". The IACS board of directors is aggressively monitoring Illinois' legislative activity.

IACS also successfully passed pre-graduation testing, as well as allowing schools to offer online classes for theory. But there is much yet to be done. We need the continued assistance of a lobbyist to keep our voice on track at the State legislature. We can only do this with the help of our members contributing to our legislative assessment fund.

Thank you,

Jamie Kauffman
IACS President of the Board
