The **Illinois Association of Cosmetology Schools (IACS)** is the **only statewide independent organization** representing both public and private beauty schools. This work encompasses our working with the Illinois General Assembly and IDFPR to ensure that the profession of cosmetology in all its disciplines are protected.

In today's legislative climate where multiple states have legislation pending to deregulate the profession and others expressing action to downsize the curriculum, IACS' vigil is most important and the **broader** our membership the **stronger** our **political capital becomes**.

Deregulation could impact –

- A **reduction** in student **enrollment**
- **Reduction** in **income**
- It could put the health and safety of the public at risk.
- **Loss** of teacher **employment**

Strength comes in numbers. Your School membership is important in supporting the efforts of IACS.

Member schools receive –

- **Legislative Updates** emailed to each staff employee you provide an email for
- Monthly **News Updates** emailed to each staff employee you provide an email for

Secondarily, IACS is a principle provider of **continuing education in methodology** for cosmetology teachers. Discounts are provided to teachers of schools who belong to the Association.

Member schools receive –

- Personalized Electronic CEU Certificates for their teachers
- Teacher **Personalized Electronic CEU Certificates** emailed to designated School Admin email

We hope that your school will continue its support of the work of IACS.
